

## HELP CELEBRATE THE PRESTON TWINS

Artist impression by Elpida Hadzi-Vasileva and Sam Harris

### PLEASE DONATE NOW

You can help artist Elpida Hadzi-Vasileva stabilise one of the Preston Twins, which had to be felled due to disease. At the Secret Garden in Kemptown, over the next year or so, Elpida will stabilise the tree and gild it internally, transforming the tree into a celebration of the Preston Twins history and cultural significance. Once completed the tree will be returned to Preston Park. Brighton & Hove City Council are supporting this work, but the costs are significant.
